UNEQUAL TO THE OCCASION

Prize Pupil "Fell Down" in Answer, and Great Was Teacher's Discomfiture.

Charlie was a bright boy, with a good memory. He was the prize pupil in geography and physiology and when the school had any visitors the teacher liked to show him off. One day a member of the school committee happened in as the class was reciting geography and asked a few questions and received fairly accurate answers. When he expressed a desire to switch off to physiology, however, the teacher thought it was about time to show him something particularly precocious.

So when he asked "Where is the stomach located?" she called on Charlie to answer. He did so with ready assurance:

"The stomach," he said, "is situated just south of the lungs in a hole in the diaphragm."

FLORIDA GIRL A GOOD SHOT.

Miss Alice Curry, a 16-year-old maiden living at Labelle, proved herself the other day to be a huntress with enviable nerve and an eye like an eagle. She was out in the Big Cypress when she noticed the dogs along with her start off after something. She followed them and soon had a big tiger at bay.

The young lady shot the tiger, which measured 10 1/2 feet and will weigh in the neighborhood of 175 pounds. The head of the tiger is now in possession of George Lightsey and is certainly a fierce looking object.—Fort Myer Press.

SAYS EVE CONFERRED RIGHT.

Senator Goldthwaite of Massachusetts says that as the first family could not have been formed without the first woman, so, logically, the political community that does not recognize the woman as a factor equal in influence to the man is not evenly balanced and can not succeed as well as it would otherwise. He says the male has cracked the whip over the female long enough, and now there should be a change, which is to be brought about by giving women the right to vote.

A CONSCIENTIOUS WOMAN.

"Yes," the little woman with the drum major fur hat remarked to her friend on the car, "I stopped wearing my big wide hat—it's a perfect beauty, too. I don't wear it much because I thought as long as the car service is bad and people are crowded and banged in the aisles of the cars it wasn't right for me to take up so much room with my hat. Besides I like this hat better if anything."

WORKER FOR HUMANITY.

Mrs. Lillian Greenhut is a woman of wealth and position, who gives most of her time to the cause of humanity than to society. Mrs. Greenhut is a coworker with her husband in his welfare work, and makes it her mission to inspire the helpers of his undertaking with sympathy that clouds all thought of charity.

A BIT OF ADVICE

First-Don't Delay. Second-Don't Experiment.

If you suffer from backache, headache or dizzy spells; if you rest poorly and are languid in the morning; if the kidney secretions are irregular and un-natural in appearance, do not delay. The kidneys are calling for help. Slight symptoms of kidney trouble are fore-runners of more serious complaints. They should be given attention before it is too late.

Doan's Kidney Pills cure kidneys. They are recommended by thousands. Can Monett residents desire more proof than the statement of a Monett citizen who says that the cure Doan's Kidney Pills effected years ago has proven permanent?

James T. Bowman, Marshal Hill, Monett, Mo., says: "Kidney complaint made me miserable for at least two years, being brought by exposure to all kinds of weather. Whenever I caught cold it settled in my kidneys, causing my back to ache and the kidney secretions pass too frequently. When Doan's kidney Pills were suggested to me as a cure for the trouble, I procured a supply at Knapp's drug store and they entirely relieved me and strengthened my kidneys."

The above statement was given in December 1906 and on December 9, 1908 Mr. Bowman added: "Doan's Kidney Pills still have my highest endorsement. This remedy has been so beneficial to me that I have been convinced of its great merit in cases of kidney trouble."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Soldier Barks Death Plot.

It seems to J. A. Stone, a civil war veteran, of Kemp, Tex., that a plot existed between a desperate lung trouble and the grave to cause his death. "I contracted a stubborn cold," he writes, "that developed a cough that stuck to me, in spite of all remedies, for years. Then I began to use Dr. King's New Discovery, which restored my health completely. I now weigh 178 pounds." For severe Colds, obstinate Coughs, Hemorrhages, Asthma, and to prevent Pneumonia it's unrivaled. 50c and \$1.00. Trial bottle free. Guaranteed by A. H. Cox and Co.
